

Duty of Candour Report

Report for the years 2022 and 2023

ASthetics Medical Spa

Policy Review and Implementation

Overview:

In accordance with our commitment to transparency and patient safety, ASthetics Medical Spa has implemented a robust Duty of Candour policy. This policy has been reviewed and upheld for the years 2022 and 2023 to ensure compliance with ethical standards and regulations.

Policy in Place:

ASthetics Medical Spa maintains a comprehensive Duty of Candour policy that outlines the procedures and guidelines to be followed in the event of any adverse incidents or patient harm. This policy emphasizes the importance of honesty, openness, and accountability in all patient interactions.

Policy Review:

Our Duty of Candour policy was meticulously reviewed in both 2022 and 2023 to ensure its effectiveness and relevance in providing top-quality care to our patients. The review process involved assessing the policy's alignment with current best practices and guidelines in the medical spa industry.

No Triggers Activated:

We are pleased to report that in both 2022 and 2023, there have been no instances where our Duty of Candour policy had to be activated. This demonstrates our commitment to maintaining a safe and responsible environment for our patients, where transparency and communication are paramount.

Conclusion:

ASthetics Medical Spa remains dedicated to upholding the highest standards of ethical practice and patient care. Our unwavering commitment to the Duty of Candour reaffirms our pledge to honesty, integrity, and accountability in all aspects of our services.
